Accents '68

1968 *Midlander*

MIDDLE TENNESSEE STATE UNIVERSITY • MURFREESBORO, TENN.

ANN FARNSWORTH, Editor

EMILY KELLEY, Business Manager

Foreword

Memories of a college career are captured and made concrete through the efforts of the yearbook staff. Capturing memories, the playthings of the heart, is an all but impossible task, but in "Accents of '68" an attempt has been made. Fickle hearts and active minds dash about during a college lifetime, but maybe the feeling sparked by a knowing glance, a private joke, a special smile, a kindred mind will be rekindled by the accents in this year's MIDLANDER. We recall emotions ranging from the panic-

stricken feeling of the first week to the bitter-sweetness of the last hour. The pangs of first love, excitement of the sports scene, comfort of religious mainstays, challenge of academics, and the warmth of long friendships—these are a few of the accents of student life and a sprinkling of the memories in campus hearts. Look closely and remember; the years will melt away and the heart of these college years will beat once more through the "Accents of '68."

The Accent is on
Life at M.T.S.U.

An age old tradition is carried over into a new realm.

Freshman Orientation— First Steps in a Four Year Trek

First registration woes hit Frosh.

Campus leaders welcome Frosh to MTSU.

Segments of a weekend exodus.

A WEEK filled with fun, frolic, and folly—thousands of new faces, hundreds of bulging suitcases, bunches of unfamiliar places—unpacking and packing—rushing to, running from—the tangled mass of lines, numbers, cards, classes, and more lines known colloquially as registration—T-caps—Derby Day—cafeterias—a first special date—jetting for the weekend—memories for a lifetime—with the accent on confusion, it's Frosh Week!

The race is on at Freshman Derby Day!

MTSU Becomes a Fall Fun Festival

Blue Raider fans turn out for the big game.

The Raider rides again!

As the leaves die and fall to the ground, something else comes alive.

"Sticky" fun at the marshmallow roast.

Band beauty boosts the Blue.

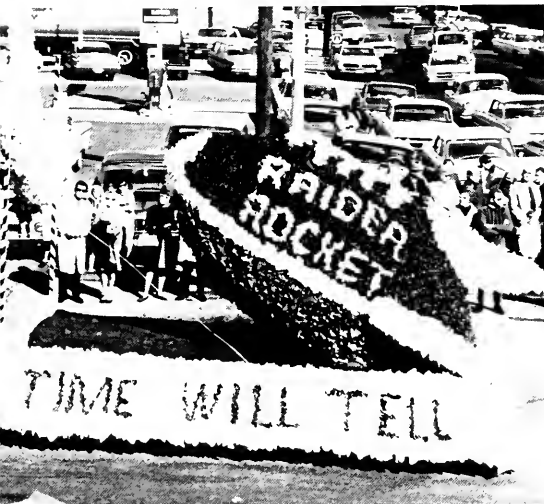

Holiday feasts highlight cafeteria menu.

FALL, and the accent is on activity! Football an experience in itself: pre-game "warm-ups" to melt the frost in the air; the funnel of expectancy and excitement leading to that spectacular catch, the game-saving block; after-the-game "gabfests," about the game, or about anything, at a party or alone—with her. Classes, and the fresh enthusiasm for that first 4.0. Nights, and those long, long walks around campus, Elam's Mill gatherings, beautiful harvest moons, warming more than the air, friendships formed, lifetime loves. The campus in the fall is a world of its own, waiting only for someone to bring it to life, to take what it has to offer. Remember?

First place float depicts MTSU's changing scene.

High-flying hopes for the Raiders.

Anxiety forgotten and a dream realized—Queen Tricia!

Blumen strive for Homecoming paydirt.

WHEN leaves turn, skies glisten, and the air crackles, it's THAT time again! No matter how damp the weather, spirits soar, never faltering. All of the anxious moments, hours of pressure, and days of toil culminate in the one day of glorification for our Alma Mater. The broken fingernails, bruised thumbs, and stuffed out "napkin stuffers" are all forgotten. All that remains is the beauty of the queen and court, excitement of the parade, magnificence of the forty-foot bonfire, electricity of the game, wonder of the dance—IT'S HOMECOMING!

A "napkin-stuffer's" view of Homecoming.

"Timely" themes spark Homecoming.

Everyday Life Has Its Scattered Bright Spots

. . . or a quiet conversation . . .

... or a frisky frolic in the snow ...

EVERY cloud has its silver lining, and every day has its bright spots. A friendly greeting can make somebody's day sparkle, or maybe a special date will be the margin of difference in a good or bad week. A letter, a shared soda, a wave, or even a particularly good class can add the zip to the day that had been missing. A rainy day and a cheery umbrella go hand in hand—there's a little bad and a little good everywhere, but the accent is on the bright spots that make everything so much better.

Study and Application Lead to Achievement

A COLLEGE career presents itself as an unworked lump of clay. To each student who passes through the encompassing gates of Middle Tennessee belongs the task of molding the clay. A profession is chosen and four long years of preparations are begun. The successful career is molded by hard-working hands and is based on many long hours of study and application. Ever looking toward the future, the accent in academics is on study.

... steadied in the probing hand ...

... or materialized by meticulous fingers.

Married students enjoy each other's company . . .

. . . each other's interests . . .

THE realm of academics is further complicated for some students by the additional responsibilities of married life or part-time work. The married student must keep up his academic standing while maintaining a happy home life. Lessons are completed between a variety of other tasks such as preparing meals, doing small mending jobs around the house, and caring for children. The working student has to find time between classes and study to man a part-time job in order to help finance his education. These students who have the accent on perseverance are to be commended.

Married and Working Students Assume Additional Responsibilities

Serving as a dorm Hostess . . .

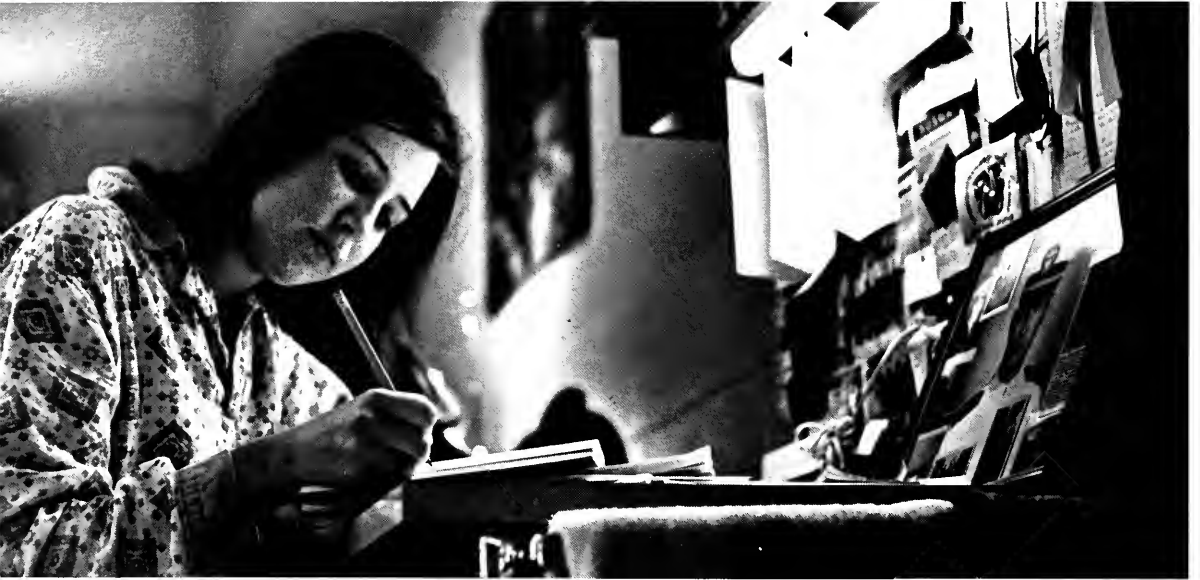

. . . and operating a switchboard are two means of financing an education.

. . . and each other's fun.

Dorms Offer Communal Living At Its Peak

A dorm room is—a study hall . . .

. . . a comfy lounge . . .

... a boudoir ...

FROM the basement of Schardt and the depths of Smith to the sun deck of High Rise and the luxury of University Park, dorm life is the same wonderful, nebulous ball of joy and confusion. Midnight hours in the lobbies and study rooms, "bull" sessions of twenty boys in the middle of finals, arranging schedules around favorite "soap operas" and "Roadrunner", frosting hair, dance lessons, all-night poker parties, looking for matches, signing in at 12:59:59, having "den" sessions, helping everybody get ready for wonderful functions, borrowing a roommate's pants when you've just split yours on the way to a dance, phones in the "john", finding old book reports, never getting a line out on an extension, being afraid the elevator doors won't open this time, all this is a part of dorm life. Someone always there to cry to, or scream with, Monday night scouring sessions, a beer-can Christmas tree, no place to park, "Girls, please quiet down—especially third floor!" Serenades, snowball fights, empty candy machines, and correct change only—a few more meaningful and memorable phrases. A wonderland of joy, sorrow, excitement, tension, and mass hysteria—horrible and fabulous, boring and fascinating, but, above all, an experience worth knowing.

... a "rec" room.

An overworked teacher spares a few minutes for counseling.

SOME faculty members DO care.

Casual chats strengthen student-teacher relationships.

Student teaching is more than explaining—it's understanding.

Education Exists Outside The Classroom Too

A COLLISION of two societies occurs forming an atmosphere of learning in which we begin to know ourselves, to formulate our ideas, and to find purpose to our lives. The worlds of student and teacher meet on the campus of MTSU in an aura outside that of the classroom. The weary and discouraged student is often uplifted by a casual talk, an informal conference over a cup of coffee, a few minutes before or after class—the extra time and efforts of an already overworked, underpaid, and underrated teacher. These casual hours will be remembered long after the hurry and scurry of other times are forgotten and will be appreciated always.

Cramped but cherished, the T-Room succumbs to expansion.

A final mail check in the old post office.

Tradition Gives Way To Progress

SINCE 1951, the Student Union Building has served the students of Middle Tennessee in a multitude of capacities. Now, however, the SUB is relinquishing its position to a newer and larger accommodation. No matter what capacity it serves, the sight of the SUB will always bring to mind heartwarming memories. Those long hours spent in the T-Room "socializin'", those thousands of treks to the post office to check the mail one more time, those nights spent meeting in its various

rooms, the meals eaten in its cafeteria, the afternoons frittered away on its steps watching the girls go by, the games lost at its pool tables, the cards played in its lounge, the long voting lines in its basement with the candidates milling around in at least a five-yard radius, the dates made, the hearts broken, and the loves won in the SUB—this is the Student Union Building to its students: a concrete symbol of college life.

The passage of thousands of students has worn tradition into these memorable steps.

Friendship is

REMEMBER . . . a special feeling in the T-Room when everyone clustered around gabbing about a million different things . . . the freshness of that springtime day, when a walk across campus seemed more than just a walk across campus . . . Remember . . . the explosion of emotions felt after winning—together . . . Or how about the times when disagreeing was agreeable, when group "gabfests" were unbeatable, when the smile of a child set the whole world aglow . . . when you were warm no matter how cold the weather . . . Remember?

. . . romancing . . .

Racing . . .

. . . relaxing . . .

... reminiscing ...

Exhausted . . .

. . . elated . . .

Having Emotions is Being Able to Feel . . .

EVERY day at Middle Tennessee has some memories for everyone, and each memory is an individual one because each person feels different emotions on various occasions. This ability to feel and express emotions is the essence of a student and the key to his memories. A sudden thrill of exhilaration, a hot flash of anger, a tender rush of love, and infrequent periods of despondency are all different expression of emotions. Bewilderment, confusion, unbelief, pride, knowledge—all of these emotions spread across a thousand different faces on a million different days accenting the feelings of the youth of our nation in all matters. Remember what was felt, oh, those many years ago?

... enamoured ...

... exasperated ...

... enthusiastic.

ASB Strives to Provide Entertainment

IN M.T.S.U.'s Associated Student Body, the accent is on the Student. From an office laden with contracts, people, and complaints come the efforts that add life to the Middle Tennessee campus. Starting things off with a bang, the A.S.B. sponsored a Derby Day for the freshmen. A day filled with fun, games, and food encouraged mingling and promoted new acquaintances. Josh White, Jr. made his appearance next giving the campus a glance at "talent-plus." All is not done for the student, however, as opportunity is given for them to help others. The annual Christmas Party held for the children at Murfreesboro's Good Shepherd's Home gives ample opportunity for helping others while reaping the most golden reward in the world from a happy child's eyes. Each week students enjoy the great "fun-nites" which have been made even better—and longer—this year. Other treats from the desk of the A.S.B. range from such talented performers as the Serendipity Singers to the rockin' group of Little Anthony and the Imperials. The final round of applause for a group is signal enough to the A.S.B. to keep the entertainment ball rolling!

A casual campus conference.

BETWEEN bells, between homes, between thoughts; it's the hustle and bustle of the busy campus life. Running to, coming from, putting down, pickin' up, too early, too late, another minute—I can't wait! In the midst of all this, there are those golden moments—few maybe, and far between, but there nonetheless, and the more precious for their scarcity. A quiet hour in the dorm, a stolen moment at a game, a lingering cup of coffee, a long, languishing talk, these too are part of campus life. A many-faceted sphere of organized confusion with a few precious sprinklings of times when the accent is on relaxation—Blue Raider Country!

Midlander Pageant Accents Campus Beauty

Pageant coordinators lend a helping hand to anxious contestants.

"Hello, Hello . . ."

Last practice as Miss Midlander for JeVena.

A CASCADE of thrills comes tumbling down into one night of glamor and glitter. The beauty of the spectacle belies the hours of strenuous practice and the anxious moments felt by each of the contestants before the opening night. A realm of nerves, lights, applause and sound reveals itself to each potential "Miss Midlander" in her journey toward the crown. Blessed by nature, taught by experience, and fortified with courage, the beauties give to the pageant as much as they receive from it. Whatever the decision of the judges, the girls have had a unique experience. Memories will stream forever from that faraway corner of the mind in which the accent was on excitement.

I wonder if it's too late to back out.

Student Talent Colors Campus Activity

ACCENT is on activity in artistry. Take up the brush of encouragement and color the campus talented. Begin with the snow-white canvas of Middle Tennessee and the "paints" of various talents. First, draw the bold strokes of undeveloped natural talent, then, the broad tones of knowledge, the overtones of hours of hard work and practice, and the firm lines of belief to paint the portrait of the "campus talented."

Students view artistic efforts in a fall display.

Contemplation, evaluation—stepping stones to perfection.

Intense concentration minimizes time and erases tedium.

Talent: essence of the musician.

PROFESSORS are bored, students are daydreaming, the outdoors is beckoning—it's spring! Walter Hill parties soon deck the afternoons, conscientious coeds put in many long, hot sun-deck hours, spring sports lure many shirt-sleeved students away from their studies with calls such as "Throw the bum out!", romance-laden nights fill the spring air with love, and while many have just finished their first year, for others graduation looms as an almost-realized dream. Spring accents the fun in the year as it brings it to a close.

Campus Panorama Reveals Ever Present Beauty

The hallowed and the acclaimed.

Symbols of a university, a state, and a nation.

MIDDLE Tennessee is the scene of much change. The attitude of the University is changing, and its physical aspects are changing along with it. A University steeped in tradition, there exists at MTSU that unreal reality of a coexistence of both old and new. From the age-old women's residence hall—Rutledge—to the ever present construction right across the way—the new English building, MTSU offers both the past and the future. Building on the foundation of the past and working toward the goals of the future, Middle Tennessee exists as a world between two worlds always ready to embrace the new and cherish the old.

Gateway to the future.

A solitary walk down a wintry path.

MEL BLACK
Vice-President

Seated: Sandy Lappin, Secretary of International and Transfer Student Committee; Patricia Duncan, Secretary of Social Affairs; Janet Brown, Inter-Sorority Council President; Martha Jewell, Speaker of the House Pro Tempore; Arlene Fitzpatrick, Secretary of Communications. **Standing:** Van Martin, George Jackson, Treasurer; Mel Bleck, Speaker of

the House; Larry Hayes; Paul Womack, President; Larry Barker, Chief Justice of Supreme Court; Pat O'Neal, Election Commissioner; Ben McFarlin, Secretary of Student Affairs; Stan Hardison, Secretary of Freshman Affairs.

The ASB has put its accent on the "road to excellence." This has been a year of planning and preparation for the coming years of a growing university.

Student government has presented many new aspects to the campus. The statement of academic freedom; working on a new and more flexible exam schedule; researching the possibilities of a student activity fee—these have all been a part of the activities which have been the center of much attention.

As the campus has grown so has student government. The need for new facilities has been met by the addition of an entire suite of ASB offices in the new University Center.

The road to excellence has been a hard and long one for ASB, but the goal has never been lost by those who work for it. There is always someone who can get tickets printed for big name entertainment, run to the printers, or stuff mail boxes. These people never get recognition nor do they ever have their names in print, yet without them—the students of this university—no accomplishment would ever be made.

CABINET

Anxious students listen as Election Commissioner, Pat O'Neal, reads election results.

Sandra Baugh, Joey Livesay, Virginia Harley, Doug Bennett, Gail Colebrook, Al Frazier, Suzanne Pyle, Joe Guthrie, Janet Brown, Speaker Pro-Tempore; Fred Woody, Derry Cochran, Bob Hamilton, Jim Garner, Joe McDonald, Gail Brown, Secretary; Trudie Whitver, Parliamentarian.

SENATE

The Senate is composed of seventeen students who work cooperatively with the House of Representatives in passing legislation and recommendations. Through the creation of new laws and the revision of old laws the students at MTSU are continually receiving benefits. The Senate of 1967-68 has considered and passed more constructive legislation than any previous Senate. Major accomplishments of this year's Senate include the establishment of various investigating committees concerning student services, the resolution on student rights, and a bill lengthening exam week.

HOUSE OF REPRESENTATIVES

The House of Representatives is one arm of the legislative branch of the ASB. It is composed of one representative from each campus club and organization. The House meets weekly to discuss and vote on pertinent pieces of legislation. The House also serves as a forum for an exchange of ideas between representatives of the various organizations.

In October, the House of Representatives sponsored a "Club Night" to acquaint the students of the University, both new and old, with the various clubs on campus.

The House passed the ASB Retreat Bill, the ASB Electoral Act, an Exam Week Bill, and many other bills which are of great consequence to the students. The House members spent many hours working for the students, writing, deliberating, and voting on these bills to help make Middle Tennessee State a greater university.

SOCIAL COMMITTEE

The function of the ASB Social Committee is to provide activities for the student body. The efforts of this group are rewarded when the students are glad to be a part of Middle Tennessee's campus: a happy couple leaving "Fun Nite" an extra special movie, a full calendar for the year.

Odes Hamilton, Ronnie Owens, Ronnie Tennant, Bobby Harvey, Patricia Duncan, Marilyn Ensley, Babs Barnes, Anita Johnson, Ann Shipley, Linda Johnson, Julie Douglas, Sharon Owens, Judy Cope, Johanna Fell, Evelyn Rushing, Carol Jones.

HOSTESS COMMITTEE

Ann Shipley, Babs Barnes, Elizabeth Kennedy, Chairman; Lynn Womack, Carol Jones, Glenna Wells.

The smiling faces of these girls are seen at many functions on campus throughout the year. In September they welcomed incoming freshmen at the President's Reception. At the Open House of the new University Center, they served as hostesses and guides for tours of the new facility.

STUDENT AFFAIRS COMMITTEE

Providing big name entertainment for the student body is the responsibility of this group. Activities include selling tickets, ushering at the shows, publicizing the events, and acting as hosts to guest stars. This year one of the main attractions was the appearance of Little Anthony and the Imperials.

Seated: Ben McFarlin, Chairman; Brenda Mack, Faye Minatra, Janet Brown, Betty Ann Hart, Jim Parnell, Van Martin.
Standing: Terry MacFarland, Roger Chenard, Larry Hayes, Stan Harrison.

INTERNATIONAL AND TRANSFER STUDENT COMMITTEE

The International and Transfer Student Committee was established to assist foreign students in adjusting to their new and perhaps puzzling environment. Information needed by these students is being prepared for an **International Transfer Student Handbook**. To provide financial assistance in the form of scholarships is another aim of the committee. Selected groups of these students are taken to other cities to meet and talk with government leaders in an effort to make them more aware of the democratic principles for which this nation stands.

Whyte McKnight, Elayne Huffer, Zia Kabiri, Sandy Lappin, Chairman; Diane Stephens.

COMMUNICATIONS COMMITTEE

This committee is responsible for keeping MTSU students aware of coming events on campus. Each week the group publishes the **ASB Bulletin** which is available to all students. In addition, it provides publicity for special ASB productions, such as the ASB film series.

Becky Williams, Arlene Fitzpatrick, Chairman; Terry McFarland.

FRESHMAN AFFAIRS COMMITTEE

Composed of a group of upperclassmen, this committee plans activities for incoming freshmen in order to orient them to the atmosphere of the MTSU campus. This year one of its projects was to outline plans for the next Freshman Week.

Seated: Betty Ann Hart, Faye Minatra, Brenda Mack, Janet Brown, Tricia Duncan, JoAnn Campbell. Standing: Roger Chenard, Tom Peterson, Ben McFarlin, Stan Hardison, Chairman; Larry Hayes, Jim Parnell.

Seated: Ronnie Owens, Ann Farnsworth, Larry Barker, Chief Justice; Frank Fly, Mac McDonald, **Standing:** Elaine Lehr, Tom Peterson, Pam Owen.

SUPREME COURT

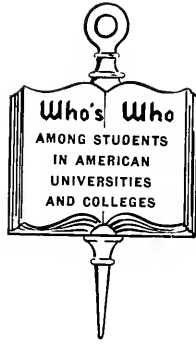

The Associated Student Body Supreme Court, the Judicial branch of the ASB Government, is composed of a Chief Justice and four Associate Justices appointed for the remainder of their stay at M.T.S.U. It serves as a recommendation board on cases submitted to it by the university deans. The Supreme Court is also charged with the duty of interpreting the ASB Constitution. As the high student court it hears cases appealed from all the Dormitory Councils.

ELECTION COMMISSION

A very important phase of student government is assuring the voters and candidates of various university contests of fair and efficient elections. This year's Election Commission, headed by Patrick O'Neal, has strived to provide the students with quick, uncomplicated voting procedures. With the innovation of computer ballots and standard voting machines for the spring elections, the long hours of counting votes have become a thing of the past.

Seated: Sandy Lescip, Prissy Owen, Pam Owen, Pat O'Neal, Election Commissioner.

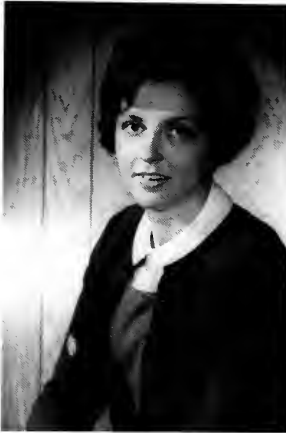

WHO'S WHO

Among Students in American Universities and Colleges

This year thirty-five Middle Tennessee State students were recognized as outstanding when they were named Who's Who in American Colleges and Universities. Selection to Who's Who is one of the most coveted and distinguished honors a senior can receive.

The students who gain this honor have maintained a high cumulative grade average throughout their college years and have distinguished themselves as leaders in other activities.

ALPHA KAPPA PSI

Zeta Psi Chapter of the national Alpha Kappa Psi, a professional business honorary fraternity, is one of the most rapidly growing organizations on campus.

Objectives of this group include promotion of business administration courses on the university level and fostering of further development and research in this field.

Representatives of Alpha Kappa Psi attend both the regional conference in Biloxi and national conferences.

ALPHA PHI GAMMA

From its beginning in 1919 as a local fraternity to honor students who did outstanding work on the **Northern Review**, Alpha Phi Gamma has developed into a nationwide network of chapters that recognize and honor significant contributions to all forms of student publications. General purposes of the fraternity are to recognize and honor individual ability and achievement in collegiate student publications, to serve, promote, and help to improve collegiate journalism; to establish cordial relationships between students and members of the profession, and to fraternally unite congenial students interested in journalism.

To be eligible for active membership, a college student must be registered at a college with an Alpha Phi Gamma Chapter and have held either a major position on a campus publication or news bureau for two semesters. He must also be above freshman rank and have an above-average scholastic record.

Alpha Phi Gamma was organized at MTSU on September 28, 1968, under the direction of Mr. John W. Windhauser, journalism instructor.

ALPHA PSI OMEGA

"All the world is a stage, and all the people merely players." All the world **can** be a stage if one is truly interested in theatre and dramatics. There are many areas in which one can participate if one is really dedicated to the stage.

The highest honor awarded to a person who is interested in theatre is an invitation to join Alpha Psi Omega. In order to be eligible for this honor, one must have earned a minimum of one-hundred hours work in play production in three fields of dramatic endeavor. These fields include set designing, set construction, play management, directing, costuming, lighting, make-up, and of course, acting. One can readily see that people are not merely actors in Alpha Psi Omega, for they are involved in the total theatre program.

The Middle Tennessee State University chapter of Alpha Psi Omega is the Lambda Gamma Cast, which has as its objective the promotion of excellence in the dramatic arts. The Lambda Gamma cast is fortunate in that the University Theatre has not only a large proscenium stage, but a smaller "Arena" theatre as well. These two theatres provide a splendid experience in play production. The University Theatre presents four major productions a year in these theatres, and the membership of Alpha Psi Omega Dramatics Fraternity is involved in all of these productions.

BETA BETA BETA

Beta Beta Beta, nationally affiliated with the American Association for the Advancement of Science, maintains and promotes excellence and interest in biology on the campus of MTSU. Membership qualifications are a 2.7 cumulative average and a sophomore status. The purpose of the Biological Society is to promote the dissemination of scientific truth, to stimulate sound scholarship, and to encourage research. Beta Beta Beta meets bi-monthly, has a bi-annual induction of members, and a yearly banquet for members.

DELTA OMICRON

The Omicron Psi Chapter of Delta Omicron International Music Fraternity is open for membership to all women students having at least a 2.0 average in all subjects exclusive of having at least a 2.0 average in all subjects exclusive of music and a 3.0 average in the field of music. The purpose of Delta Omicron is to create and foster fellowship, to develop character, to stimulate the appreciation of good music, to encourage excellence in individual performance, to develop the highest possible scholastic attainment, and to give material aid to needy and worthy students. The fraternity's motto of "Continually striving, we attain" is ably promoted by their activities. They have both open and closed musicales, sing Christmas carols for the Dillon Nursing Home, have a membership induction each semester, sponsor jointly with Phi Mu Alpha one open musicale per year, and cooperate with the national fraternity in all goals, such as helping prepare for the national conference each year.

DELTA TAU ALPHA

The Middle Tennessee Chapter of Delta Tau Alpha was established on the MTSU campus in 1964. To become a member of this honorary agricultural fraternity, a student must have earned a total of 45 hours, 15 of which are in agriculture. In addition, he must have maintained an overall average of 2.5, and he must have averaged 3.0 in his ag courses.

Each year the group recognizes the freshman agricultural student with the highest overall average by presenting the Outstanding Freshman Award to him. Members of Delta Tau Alpha travel to area high schools to talk with interested agricultural students.

GAMMA BETA PHI

Under the guardianship of Dr. Aaron Todd, the Gamma Beta Phi National Honorary Fraternity was established on Middle Tennessee's campus in the fall semester of 1965. In order to become a member of the fraternity, a student of at least sophomore status must have a 2.7 cumulative average and present a paper concerning one aspect of the meaning of life. The purpose of Gamma Beta Phi is to unify high academic students. Their activities include having a speaker each month, a car in the Homecoming parade, sponsoring a child at the ASB Christmas party, having a banquet in December, and participating in the Save the Children Foundation.

KAPPA OMICRON PHI

The Alpha Pi Chapter of Kappa Omicron Phi, a national home economics honor society, proposes to further the best interests of home economics in all four-year colleges. Membership is based on personality, scholarship, leadership, and character. All members must be either majoring or minoring in the field of home economics. A student interested in membership must be at least a second semester sophomore, having completed eight semester hours in home economics, and have a minimum 3.0 average in all home economics courses, with above average grades in all other courses. She must also be a member of the Home Economics Chapter, in which membership is by invitation only. Kappa Omicron Phi sponsors the sale of mums for Homecoming each year, has an annual Founders' Day Banquet, a monthly professional program, a Mother-Patroness Service, and a program of assisting needy families, in addition to the yearly induction of members.

LAMBDA TAU

The Pi Chapter of Lambda Tau Society for students intending to pursue a career in medical technology was granted a charter at Middle Tennessee on February 10, 1967. Any student who has completed two semesters of work, has a 2.78 cumulative average, and is planning to study in the field of medical technology is eligible for membership. The Society applies its motto of "Knowledge, Service, and Accuracy" by encouraging academic excellence, promoting an interest in the field, and providing informative programs which highlight institutions offering further study in medical technology. One of the more interesting activities of the Society this year was the sponsoring of a booth at Club Night where blood was typed and tested.

PI SIGMA EPSILON

Pi Sigma Epsilon is a collegiate sales and marketing fraternity established to promote professional interest and activity among college students. The Alpha Pi chapter on MTSU's campus was founded December 11, 1965. A student is eligible for membership if he is majoring in business administration, marketing, or marketing management, has completed one semester of work with a minimum 2.0 academic average, and has taken one course in salesmanship. Each year the fraternity sponsors a sales seminar for the professional men of Middle Tennessee.

PI OMEGA PI

The Gamma Chi Chapter of Pi Omega Pi was founded on the MTSU campus in 1954 and has since become a very active organization. In April the association sponsored a typewriting contest, to which mid-state high school students were invited. Members are responsible for coat check at Fun Nights and other dances. They also provide a Christmas for a needy child.

Other activities include publishing the business department's **Pop's Raider**. Gamma Chi ranked twelfth in a national comparative evaluation of chapters. The current national project is the publication of a booklet entitled "A Basic Bookshelf for Business Education Teachers."

To be included in this business education honorary, one must be at least a second semester sophomore, have completed 12 hours in business education, have a 3.0 average, and rank among the upper 35% of his class.

The sponsor is Joe Sawyer.

PHI MU ALPHA

The Omicron Chapter of Phi Mu Alpha, Sinfonia Fraternity of America, Inc. is open for membership to any male student, faculty member or administrative officer interested in music. The purpose of the fraternity is to advance the cause of music in America, to foster the mutual welfare and brotherhood of students of music, to develop the truest fraternal spirit among its members, and to encourage loyalty to the Alma Mater. The fraternity sponsors several yearly activities, among which are a scholarship program, a variety show in the Spring, a high school stage band contest, and a recruiting program.

SIGMA CLUB

Composed of graduate and undergraduate students, the Sigma Club is the oldest club on Middle Tennessee's campus. Developing from the Research Club, the organization requires its members to have at least sixty hours and a minimum cumulative average of a 3.0. Strictly an honorary society, the club has a minimum of social activities, including two initiations and a banquet in May. The club meets monthly to bring its members together enabling them to discuss and to exchange ideas. Their major project is sponsoring a free tutoring service each year.

TAU OMICRON

Established since 1930, Tau Omicron is an honorary society composed of junior and senior women. A student must have a 3.0 cumulative average and be voted on by the members in order to attain membership in the club. Scholarship, leadership, and participation are the qualities desired in prospective members. Tau Omicron sponsors a child at the A.S.B. Christmas party annually, a free tutoring service in conjunction with the Sigma Club, and a loan fund available to its members. Two new projects adopted by the club are placing plaques in each of the campus dorms explaining the origin of its respective name and sponsoring an All-Sing for all campus organizations in the spring. A rotating trophy will be awarded in each of the three categories to the first place winners.

MIDLANDER

It always seems as though problems wait until the day before the deadline.

Linda Wilbanks can still smile after directing the Miss Midlander Pageant.

At Club Night, "hard working" staff members attempt to recruit unsuspecting students.

Dedicated to attaining the impossible goal of pleasing six thousand individual students, the 1967-68 **Midlander** staff plunged diligently into their task of representing, in one rather slim volume, the innumerable activities, personalities, achievements, ideas, and defeats—all those things that make up a university—of the MTSU student body. From Club Night through the Miss Midlander Pageant, the **Midlander** is MTSU.

The MTSU "Band of Blue" displays its excellence at precision drill before the Grantland Rice Bowl spectators.

The MTSU "Band of Blue" has again displayed its excellence of performance. The marching band, under the direction of Joseph Smith, performed at all MTSU home football games and at the Austin Peay and ETSU football games. A singular honor, both to the band and the University, was achieved when the "Band of Blue" was selected as the host band for the Kentucky Derby. The Concert Band, under the direction of Horace Beasley, has provided the campus with concert music in the winter and spring. Local and Kentucky high schools also enjoyed their performances. Both the concert band and the performing band provide a vital service to their members and to their University.

CONCERT CHOIR

Organized to provide students with an opportunity to perform the best in choral literature, the Concert Choir functions as an integral part of the MTSU music program. The choir, under the direction of Neil Wright, presented concerts in Nashville and Chattanooga while on tour this fall. During the spring the group entertained audiences with performances on campus.

Under the direction of Dr. Harold Slagle, the Treble Choral, a singing organization for women who are not music majors, this year performed in concert during the Christmas season and in the Spring. During the Spring tour of local high schools, the choral provided entertainment not only for its audiences but also for its members.

INTRAMURALS

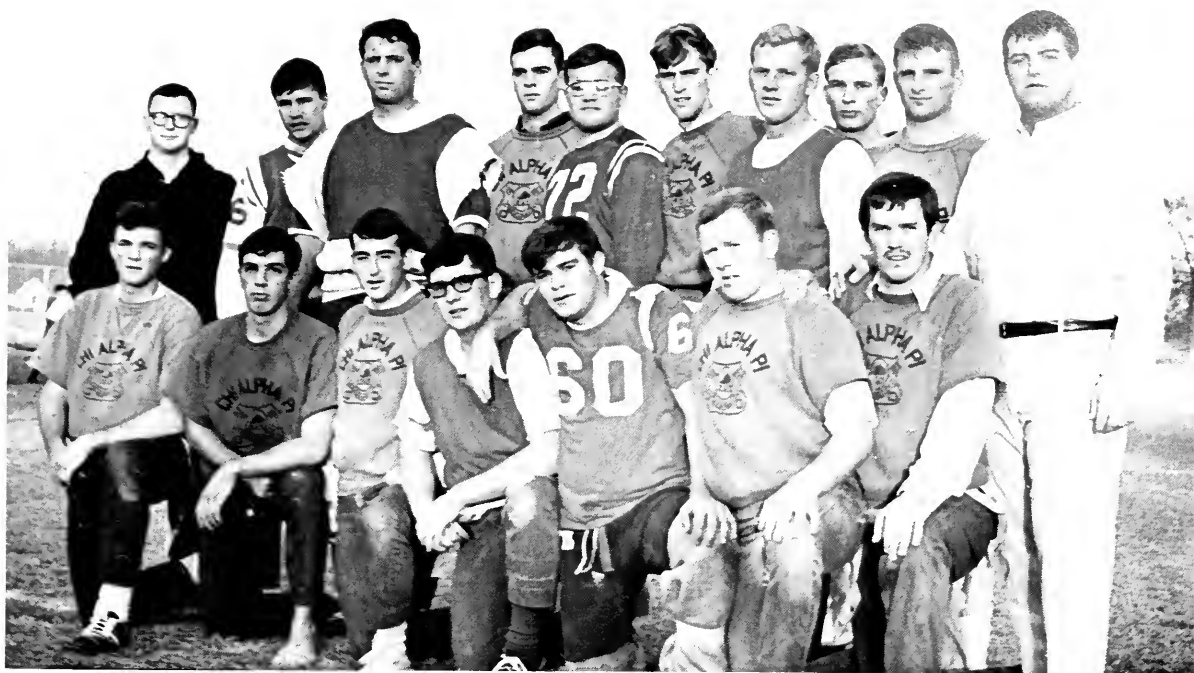

Two points?

This could be one reason why intramural swimming is so popular!

Not every would-be athlete is able to make a varsity team at MTSU. To satisfy the competitive desire among such students, and for just plain fun, the physical education department offers a wide variety of intramural activities. Campus organizations are encouraged to participate in such team sports as flag football, basketball, volleyball, track, softball, and swimming. These activities are not limited to the male segment of the population, and women students enjoy such sports as volleyball, softball, and basketball. Students may compete as individuals in tennis, bowling, ping-pong, archery, and in the hole-in-one tournaments. Trophies are presented both to winning teams and individuals.

Intramural competition is keen. To further interest in such activities, MTSU has this year brought to campus Sigma Delta Psi, a national athletic honorary fraternity. Requirements for admission are tough, and it is quite an honor to be inducted into the fraternity.

DRILL TEAM

The Sam Davis Rifles Drill Team provides an outlet for ROTC Cadets who are interested in precision and fancy drill. Besides their performances at MTSU football games, the team marched in many mid-state parades, especially during the Christmas season. In February the team participated in the Mardi Gras celebration, and in May competed in its usual excellent manner at the Vanderbilt Drill Meet.

Consisting mainly of freshmen, the team has posted wins over several competitors including Vanderbilt, UT Martin, and the U. of Puerto Rico. The highlight of the shooting year was the New Orleans "Round Robin" trip which consisted of traveling to Florence State, Tulane, and Mississippi State. While at Tulane the team enjoyed the festivities of the Mardi Gras.

INTERSORORITY COUNCIL

Fall ISC Tea for faculty and sorority members.

Maintaining a feeling of unity among sorority women is the chief objective of the Inter-Sorority Council. Its membership is comprised of the president and two representatives from each of the five sororities. The ISC strives to promote understanding and cooperation among the members of the sororities and to regulate and enforce all rushing procedures. Leaders join in council to confer and plan, setting forth ideas for a year of constructive and exciting activity.

INTER-FRATERNITY COUNCIL

Clockwise: Tom Sparks, Frank Hayes, Joe Guthrie, David Kiou, Fred Woody, David Masjewitz, Dean Chester A. Burns, Jim Free, Doug Bennett, Mike Jacobs, Mike Pritchard, Larry Barker, John Lowe.

The governing body of the campus social fraternities is the Inter-Fraternity Council, composed of the president and two representatives of each of the five fraternities. Under the capable leadership of President Jim Free and advisor Dean Chester Burns, the IFC is concerned with legislating rules concerning rush, pledge training, and intramural competition.

The MTSU Inter-Fraternity Council acts as a link between the fraternities and the administration and coordinates the policies, ideas, and problems which involve the fraternities. Promoting good relations among the fraternities and encouraging the active participation of a greater number of students has been the main goal of the IFC this year. The Council is a vital group, planning boldly for the growth of the fraternity system at MTSU.

Fraternities compete in intramural sports events.

President, Jim Free; Advisor Dean Chester Burns; Executive Secretary, Doug Bennett.

Corresponding Secretaries of the Council are: Bill Wedekind, Doug Bennett, Kenneth Smith, David Cornett, Jerre Fly, Andy Beasley.

1967 BLUE RAIDER VARSITY FOOTBALL SQUAD—Under the superb coaching of Charles M. "Bubber" Murphy the Blue Raiders racked up

five wins against five losses in the 1967 fall season and ranked third in the Ohio Valley Conference.

FOOTBALL

COACHES—Front Row: Terry Sweeney, Off. Backfield Coach; Charles M. Murphy, Head Coach; Joe Black Hayes, Def. Line Coach; Don Lear, Def. Backfield Coach. Second Row: Larry Dotson, Linebacker Coach; Gary Whaley, Def. End Coach; John "Toby" Wood, Off. End Coach; Charles Butler, Off. Line Coach.

As the 1967 football season opened, Coach Charles M. "Bubber" Murphy and his staff found assembled one of the strongest and most promising teams ever assembled at MTSU. In the opening game against Pensacola Navy, the coaches' dreams were turned into reality as the Blue Raiders crushed the Goshawks by a score of 28-7. The dream turned into a nightmare, though, as the Raiders suffered several injuries putting some key players out of commission. The Raiders continued to be injury-plagued and dropped their next four games to the shock of their fans. They finally got their forces together and blasted Austin Peay in their sixth game. After losing a hard-fought, high-scoring battle against UTMB, the Raider footballers snapped back and won not only their remaining three games, but also sole possession of third place in the Ohio Valley Conference.

This year the Raiders were led by three outstanding seniors. Mike Matheny, a defensive back from Livingston, served as captain. Alternate captains were George Claxton, a defensive end from Shelbyville, and fullback Larry "The Bull" Mathews from Springfield. All three were top-notch performers for MTSU and gained All-OVC recognition at the end of the season.

The Raiders snap into action.

MTSU had 31 returning lettermen this season. Of this group, thirteen were seniors. These seniors were: Quarterback Billy Walker; Halfbacks Mike Jones, Mike Matheny, and Pat Morrison; Fullback Larry Mathews; Linebacker Bennie Arp; Center Joe Parker; Tackles Bobby "Tiny" Langford, Frank Victory, and Jim Wilhite; and Ends Ken Caplenor, George Claxton, and Herbert Owenby. Each one was a stand-out in his own right and will long be remembered by Raider fans.

1967 FOOTBALL CAPTAINS—Pictured with Head Coach Charles M. Murphy are (from left): George Claxton, Alternate Captain; Mike Matheny, Captain; Larry Mathews, Alternate Captain.

1967 FOOTBALL MANAGERS—Terry Murff, Ken Hastings, Dick Wooten, Mike Adcox, and Leon Mooneyhan.

ALL-OVC

At the close of every football season, players are recognized for their outstanding efforts on the gridiron. Not surprisingly, the Big Blue "padded" the yearly selection with fourteen top performers—two of whom have gone on to play professional football.

The Raiders contributed not only the OVC's Number One Quarterback, Billy Walker, but also three other first team stars. In addition to three second team stand-outs, seven Bluemen were given honorable mention.

Raiders Spill Navy

In the season opener Murphy's Marauders sank Pensacola Navy's football crew along with 1963 Heisman Trophy winner Roger Staubach. The Raiders grabbed an early lead by taking the opening kickoff and marched 70 yards in nine plays with frosh Taylor Edwards sprinting the last 26 for the touchdown.

Pensacola's defense controlled the first half, but Staubach could rally his team for only one touchdown that night.

Middle Tennessee then exploded in the third quarter on a series of Goshawk mistakes. After taking a short Navy punt, the Bluemen drove 48 yards and fullback Larry Mathews scored from the one-yard line. Next, Staubach was thrown for two straight 12-yard losses to bring up fourth down on the Navy six. Guard Rodney Hayes blocked Pensacola's punt attempt and Mike Cowan pounced on the ball in the end zone for the third Raider touchdown. MTSU came right back when Charlie Daniel recovered a Staubach fumble on the Pensacola 17. Two plays later, Billy Walker hit flatback Jamie Jamison for ten yards, setting up Larry Mathews' second score of the evening.

Monster-man Gary Draper led the MTSU defense with a total of ten tackles and assists. Paul Barnett successfully kicked four extra-point conversions to give Middle Tennessee a 28-7 win over Pensacola Navy.

Morrison finds a hole in Morehead's line.

For the first time in sixteen years the Morehead Eagles managed to defeat the Raiders with a score of 21-19.

Morehead scored in the first quarter, but MTSU came right back and scored on a fumble recovery by Don Ward. After a 36-yard drive, end Ken Caplenor scored on a twelve-yard pass from quarterback Billy Walker.

In the second period the Eagles scored on a sixty-yard dash to lead 14-7. Morehead then recovered their own punt on the Raider 19 and soon took a 21-7 lead.

MTSU drove 55 yards in 11 plays and Walker scored from the one-yard line to close in on Morehead 21-13. With less than ten minutes to go Herbert Owenby scored on a 47-yard Walker pass set up by Mike Matheny who intercepted an Eagle pass on their 37-yard line. The Raiders fell short, though, as the Eagles' defense "blitzed" Walker as he tried to throw a game-tying conversion pass.

A 43-yard pass caught by Tim Kalthoff set up what looked like the winning touchdown, but the drive fizzled out and left MTSU short 21-19.

Mocs Dump Bluemen

When MTSU led 7-2 at halftime, things looked great in all departments—especially defense. Chattanooga exploded, though, in the second half and rolled past the Raiders 30-13.

MTSU's first score came when tackle Ike Franklin blocked a Chattanooga punt and middle guard Rodney Hayes covered it in the end zone.

The Raiders' defense which looked great in the first half couldn't get together in the second half when the Mocs took to the air. After letting Chattanooga score four touchdowns, the Raiders scored again in the dying moments of the game when Gary Wright drove into the end zone from the two after Ken Caplenor set up the play with two receptions of 36 and nine yards.

Defense Shines in MTSU Loss

For the first time in fifteen years, MTSU suffered its third straight football loss at the hands of Eastern Kentucky. The Raiders' front line defensive combo of Phil Watts, George Claxton, Rodney Hayes, Bobby "Tiny" Langford, and Frank Victory held the Colonels to only 60 yards rushing and gave the offense several chances to score. However, the Raider ball-movers couldn't find the end zone until the final quarter.

Mike Matheny was instrumental in stopping what was almost an Eastern scoring drive when he intercepted a pass in the end zone and ran it out to the 13-yard line.

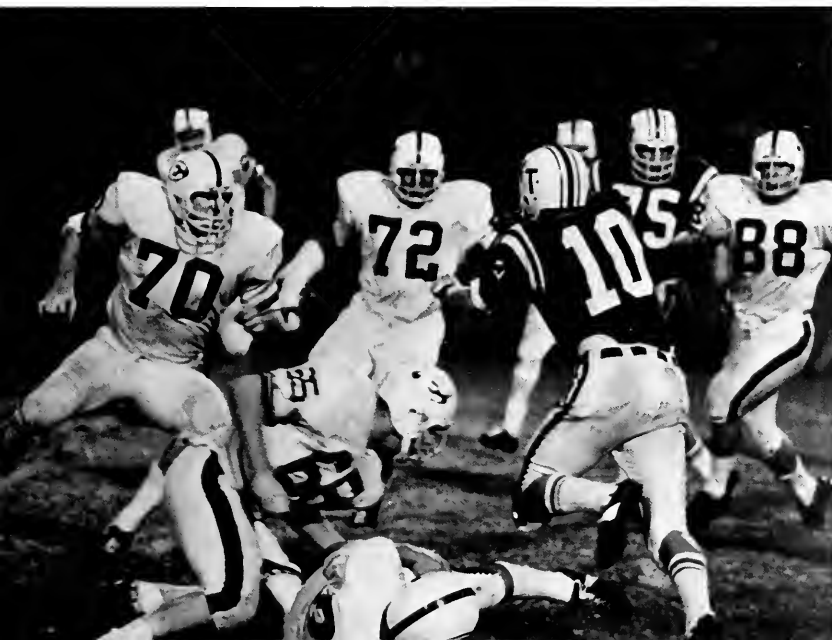

Steve Colquitt, freshman end, scored the Raiders' only touchdown on a spectacular 68-yard pass from Billy Walker. With five minutes left, Walker again found Colquitt for a big 32-yard gain which was soon halted by the Eastern defense.

Late in the game Walker hit Jamie Jamison and Herbert Owenby which put the Bluemen on the Eastern 25. The Colonels' defense smashed through the Raiders' front line, however, causing Walker to fumble the ball and found themselves with a 14-7 win over MTSU.

Murray Drops Raiders

The fourth loss of the season found Murphy's footballers in the cellar in OVC competition. Murray's air-hungry Larry Tillman passed for an astounding 425 yards and four touchdowns.

The Thoroughbreds left the field at halftime with a 17-0 lead. In the third quarter the Raiders finally scored on a one-yard dive by "The Bull", Larry Matthews.

One of the game's outstanding players was senior Pat Morrison. He gained 104 yards on 14 attempts for a 7.4-yard average.

When the final quarter began, Dickie Thomas went in as quarterback and led the Raiders to their second score. It seemed as if the Murray defense just opened up and let Thomas and his offensive team casually march down the field. In reality, though, Thomas drove 48 yards in five plays and finally plunged into the end zone from the one-yard line.

Murray wasn't finished, however, for they scored once more in the last minute of the game and the game ended with the Raiders losing 35-14.

Raiders Snap Losing Streak

Quarterback Billy Walker went to the air and led his offense in a brilliant performance of accuracy and strength in their 34-20 defeat of Austin Peay.

The first score of the game came on a typical, bruising drive by Larry Mathews. The play was set up by a beautiful 44-yard pass from Walker to end Tim Kalthoff. Mathews had a tremendous night as he scored three touchdowns and gained 51 yards in 18 carries.

Monster-man Gary Draper raced to the end zone after Phil Watts blocked a Governor punt to give MTSU its second score of the evening.

Jamie Jamison ran the second-half kick-off 48 yards to the Govs' 47. Mathews drove over from the nine in that many plays. A 58-yard bomb from Walker to Pat Morrison gave the Big Blue a 27-13 lead at the end of the third quarter. Mathews rammed into the Austin Peay end zone before the Govs raised their losing effort to 34-20.

Walker Great in UTMB Loss

Despite his team's losing effort, Billy Walker shined as he shattered MTSU and OVC records in MTSU's high-scoring loss to UT-Martin. He completed 29 of 44 passes for 326 yards and five touchdowns. He also completed 11 consecutive passes.

Walker wasn't the only star that day, however. Steve Colquitt, promising freshman end, was the game's leading scorer as he caught two touchdown passes and a two-point conversion pass to give him 14 points for his afternoon's work. Jamie Jamison also racked up two touchdowns and caught eight passes for 118 yards. Defensively, linebacker Jimmy Dunn had 14 individual tackles and three assists. End Charlie Daniel put in double duty as he not only had a good day defensively, but also got in on an offensive maneuver to score a two-point conversion.

The Raiders started out slowly, but once they got going, they never quit. MTSU's final score came with less than three minutes to go with a big 45-yard toss from Walker to senior end Herbert Owenby.

MTSU Upsets Western

The Raiders' spectacular upset of Western Kentucky backed up Coach Murphy's statement that "quitters never win, and winners never quit."

After Western's two touchdowns, MTSU got on the scoreboard when Ralph Overton and Ken Caplenor nailed a Hilltopper in his end zone for a safety. Then Jamie Jamison returned their punt to the Western 41. Walker then found Jamison and moved the ball to the 20. Then Larry Hayes found himself standing all alone in the end zone with the football in his hands and the Raiders' first TD on the scoreboard. Freshmen Mike Townsend converted perfectly and the Bluemen started to work on Western. Herbert Owenby caught a controversial touchdown in the fourth quarter to put the lid on MTSU's Homecoming celebrations with a score of 16-14.

MTSU racked up a big OVC win as they rallied to defeat East Tennessee by a score of 36-26 in their game at Johnson City.

Once again Billy Walker's "Super-Arm" made the difference on the scoreboard. After Mike Jones intercepted an ETSU pass, Walker hit Jamie Jamison for the first Raider touchdown. Alert defensive tackle Frank Victory pounced on a loose ball setting up a score by Larry Mathews. A two-point pass from Walker to Steve Colquitt put MTSU in front 15-14.

Ron Johnson recovered a fumble on the following kick-off to put the Raiders on the ETSU 22. Six plays later, Gene Carney raced over from the seven. Carney was instrumental in the next score as Walker found him for two big plays including the TD.

Tim Kalthoff caught a dazzling 59-yard pass which set up the Raiders' final tally by Gary Wright.

Raiders Cook Tech Turkeys

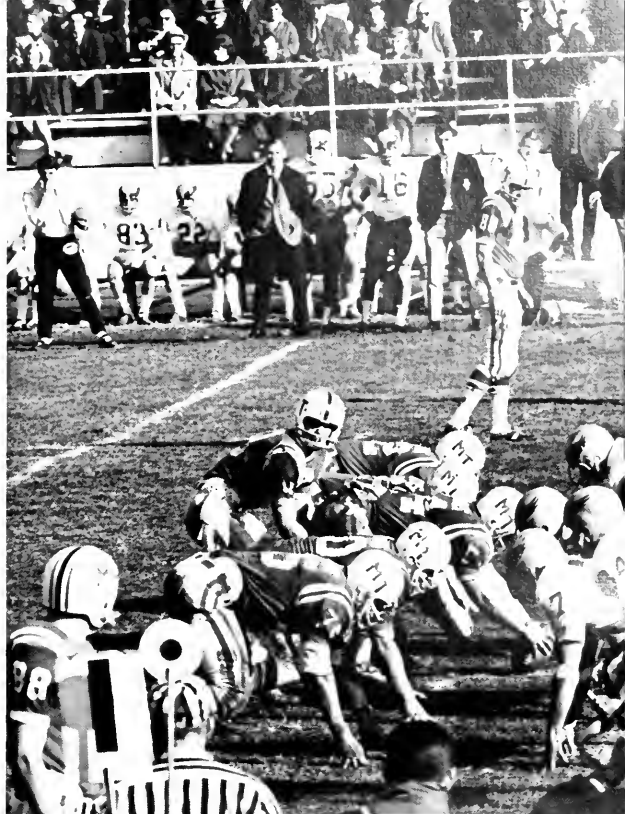

Quarterback Billy Walker was on target again as "Murphy's Marauders" mauled Tennessee Tech, but the most sensational pass of the afternoon was thrown by halfback Gene Carney.

The Raiders exploded in the second quarter scoring three touchdowns in 2 minutes 58 seconds. Larry Mathews got the first Raider touchdown on a run from the 13-yard line. Senior Herbert Owenby scored next after a Mike Matheny interception. Tech fumbled the second play after the following kick-off and end Charlie Daniel recovered for MTSU. Then Gene Carney surprised everyone when he completed a 30-yard pass, after receiving a hand-off from Walker, to Owenby.

In the second half, Jimmy Dunn intercepted a Tech pass setting up Herb Owenby's third touchdown of the day. The 33-20 victory gave the Raiders sole possession of third place in the OVC and gave Coach Murphy a 5-5 season.

1967-68 BLUE RAIDER BASKETBALL TEAM — First Row: Bill Cook (Mgr.), Leon Mooneyhan (Trainer), Tommy Brown, Darryl Bentson, Rick Lasseter, Willie Brown, Stan Sumrell, Terry Scott, Brad Wilson, Adrian Smiley (Mgr.), Harold Murff (Mgr.). Second Row: Grad. Asst.

Coach Jim Bratton, Coach Ken Trickey, Arthur Polk (Co-Capt.), Fred Howard (Co-Capt.), Derry Cochran, Steve Snyder, Frank Harris, Ken Riley, Asst. Coach Jimmy Earle, Buddy Koonce (Mgr.).

BASKETBALL

Whether it was his outstanding coaching ability or his adept recruiting of excellent basketball players, no one doubted that Coach Ken Trickey and his staff produced one of the finest teams seen perform at MTSU in a number of years.

The Raider varsity had a fabulous season, finishing with an over-all record of 15 wins and 9 losses. They wound up with a 7-7 record in the OVC. This was their best year since entering the Ohio Valley Conference in 1952. The future looks even brighter for the Raider Roundballers as they will lose only one senior, Co-captain Fred Howard.

Many school records fell this season—nine to be exact. Two new team records were set: The Most Field Goals

Made in One Season of 738 which accounted for the Highest Point Average for One Season—80.6. Ken Riley set a new season rebounding mark of 338. The other six records were chalked up by Wondrous Willie Brown. He had the Highest Individual Point Average for a Season with 23.2 points per game which was also the season high in the OVC. Also he had the Most Individual Points Scored in a Season with 556 points. Willie set new marks in the Most Field Goals Attempted (543) and Made (229) in One Season and the Most Field Goals Attempted (36) and Made (17) in One game. Besides these honors, Willie was High Scorer in 17 of the team's 24 games.

Coach Ken Trickey with Co-captains, Fred Howard and Art Polk.

were two other regular starters. Co-captain Art Polk, another "jumping-jack," put in an outstanding season both offensively and defensively. Probably the best defensive man on the team was Terry Scott who had the difficult, but well-done task of keeping some of the season's most rugged, individual competitors at their minimum performance levels. Two players seeing a considerable amount of action were Derry Cochran and Stan Sumrell who often shared starting duties. Big Derry, a sophomore at 6-10, was very good on the boards and will be seeing a lot more varsity activity. "Slippery" Stan Sumrell, also a sophomore, showed excellent potential in his first year on the varsity squad. The team had great depth with the crowd-pleasing ball-handler, Tom

The Raiders began their season at Nashville by falling to Western Kentucky 91-76 in the first round of the Ohio Valley Conference Tournament. Then they picked up five quick wins before traveling to Murray to lose a squeaker of 77-74. Back home again, the Big Blue knocked off a couple of OVC rivals, one of which was a 76-622 win over the Trade School from Cookeville. The Trickeymen continued in fine form and picked up a 100-83 win over UTMB. Then, on February 3 came the game of the year when, to the shock of the Hilltoppers, Middle Tennessee handed Western Kentucky a last-minute defeat of 84-83! By the end of the season, everyone all over the OVC had set up and taken notice of the strength displayed by MTSU. Murray was the only team in the OVC who managed to beat the Raiders at home, while the Bluemen took both tilts from Austin Peay to break even in OVC competition.

BASEBALL

In his third year as head baseball coach, Jimmy Earle has built his team into one of the finest in the OVC. The team, whose activities have increased in popularity, swung their way into one of their best seasons ever at MTSU.

The Raider baseballers, who were very good defensively, had a strong infield composed of Butch McGrath, pitcher; Butch Wright, catcher; Tom Brightwell, first base; Don Tarter, second base; Brady Straub, shortstop; and John Price, third base. The outfielders on the squad were Jackie Carver, Charlie Daniel, Taylor Edwards, Butch Green, C. W. Patterson, and Danny Sandlin. Along with McGrath the pitching crew included Gary Chrisman, the "Submariner" Gregg Cunnyngham, John Finney, Chuck Machado, and Billy Walker.

TRACK

In his short tenure at MTSU Coach Dean Hayes has tremendously upgraded the performance of the Raider thin-lies and, in doing so, has helped boost the sport from the spectators' standpoint.

With only three seniors on the team, fans can count on continued Raider success on the track and in the field. Senior Don Jones, an OVC record-holder in the 440 intermediate hurdles, finished in his consistent good form. Mike Stevens, also a senior, ended a spectacular college career leaving two school records in the pole vault and high jump. The third fourth-year man, Howard Yates, also contributed running strength in the mile.

Other top performers this season were distance-man Charlie Dahlgren and sprinter Jerry Singleton. Three runners, Dusty Hughes, Lonell Poole, and David Wyatt, added great depth on the track. Ace fieldmen were Steve Colquitt, Buck Edwards, and Stan Sumrell.

TENNIS

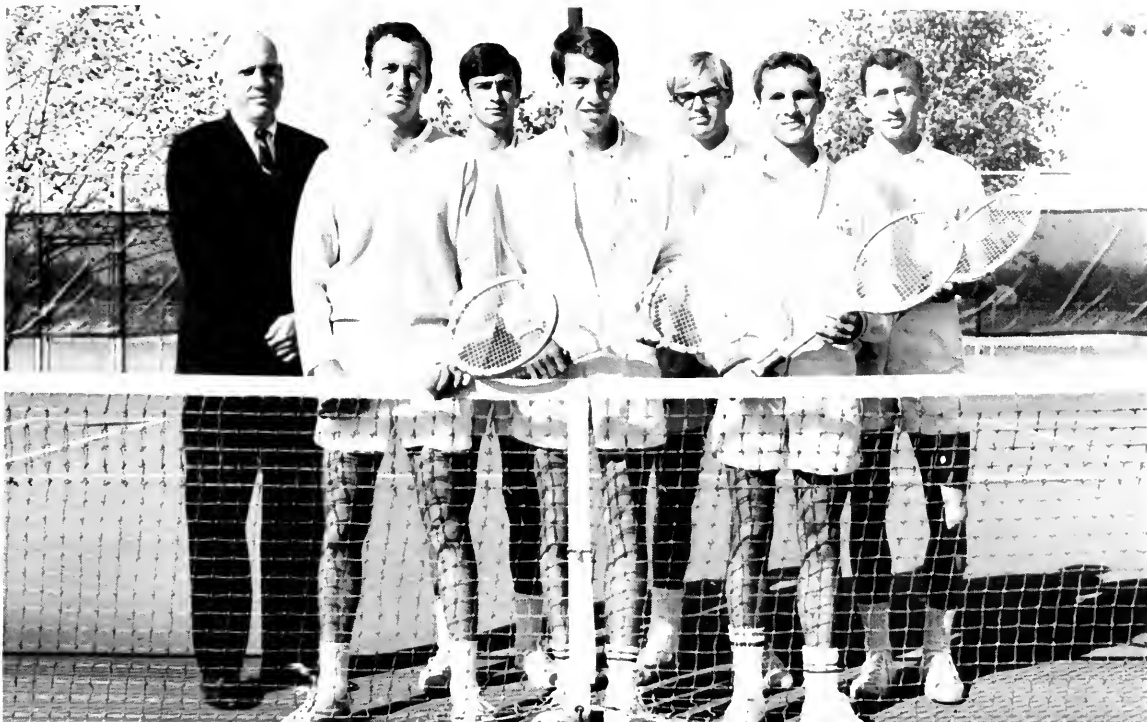

Middle Tennessee's tennis team again posted an outstanding season against their toughest schedule ever. Since assuming his position in 1964, Coach G. R. "Buck" Bouldin has commanded a superb record of winning teams.

The MTSU netmen for this season included powerful John Prevost, senior and captain of this year's squad. The two other seniors were Jim Seymour and Steve Wakefield, a skillful doubles team. The only junior on the squad was Mike Albano, a consistent stand-out. Sophomores Mike Hamman and Tom Magner were two very good players with bright futures. Freshman Charlie Beckham was strong in his college tennis debut.

The Raider racketeers opened their season by downing Ball State 9-0 and went to Chattanooga in April to defend their two-year TIAC championship. One interesting note is that this excellent Tennessee team had no native-Tennessean on it. The boys' homes ranged from Florida to Canada!

GOLF

Art Kraft chips to green.

The 1968 golf team continued their winning tradition this spring under the direction of the 1967 OVC "Coach of the Year," Dr. Elbert K. Patty. The future looks just as bright as they had only one senior, Captain Craig Stoudner, on the team.

The golfers began their season on the links with several trophies to their credit. They were the 1967 TIAC Champions, NCAA Invitational Tournament Champions, Murray Invitational Tournament Champions, and the OVC Champions. Their foes soon learned what a formidable group these boys were as they racked up another brilliant season record.

The boys were so equally ranked that no one player was an obvious stand-out in the spring. However, three Raider golfers attained individual recognition in their 1967 tour. Ernie Adcock was Tennessee Intercollegiate medalist, Art Kraft was medalist in the NCAA Invitational Tourney, and Jeff Riley captured the medalist trophy in the OVC Tournament.

FRESHMAN FOOTBALL

Each year a number of freshman boys come to college a couple of weeks early hoping to secure a position on the varsity football squad. Some of these freshmen have already been recruited—others are just wanting to continue in a

sport which they enjoyed playing in high school. Many of the beginning gridmen make it while most of them are "red-shirted" for possible future Raider action.

FRESHMAN BASKETBALL

The 1967-68 freshman basketball team met some very tough first-year competition in their campaign this winter. The team, coached by Jimmy Earle, did not equal post-season records of previous years, but displayed some fine talent upon which the varsity can depend in future years. The frosh round-ballers, led by Captain Don Lockridge, finished the season with a 9-11 record.

CHEERLEADERS

Bringing a new spark of pep and vitality to the Raider sports scene, the cheerleaders have provided our Bluemen on the field and on the floor with enthusiastic fans to give that extra "umph!" to the games. This type of "Raiders all the way!" spirit has provided the missing link in Middle Tennessee's chain of victory. Friday night bonfires, souvenir

footballs and basketballs, never-ending yelling and bell-ringing have thrown a new light on school spirit.

Led by Captain Carole Moore and Co-captain Anne Abbott, this year's "crowd-rousers" have given many hours of hard work, preparation, and natural enthusiasm which have combined to provide MTSU with school spirit which has been noticed not only on campus, but all around the OVC.

The Pentecostal Church Group is in its second full year at MTSU. The main goal of this group is to promote fellowship among students from five different Pentecostal denominations represented on our campus. This is achieved through the weekly Wednesday-night organized programs of worship and planned projects and activities throughout the year. At Christmas time, the group chose to support a needy Murfreesboro family. Members of the group visited the family and gave them food and clothing. Car washes and a candy sale provided funds for such projects.

PENTECOSTAL CHURCH GROUP

The annual fall retreat at Crystal Springs initiated the activities of this growing church group on the MTSU campus. Many laughs and memories will be retained from one of the early activities—a Halloween costume party. For the Homecoming activities, the Cumberland Presbyterian chose "A Time for Making Religion Real" as the theme for the float which was to represent this group. At Christmas time, they sponsored a child from the Good Shepherd's Home as a part of the annual ASB Christmas party. The members also enjoyed caroling, and refreshments at the home of one of their sponsors during this season. A frequent activity of the Cumberland Presbyterian Group is participation in the services and activities of the local Cumberland Presbyterian Church in Murfreesboro.

A New Home for Church of Christ

February 1, 1968 marks a milestone in the history of the MTSU Church of Christ Group—a new gathering place for religious activities was founded. Monday night devotionals and Wednesday night meetings will generally be concentrated in the new home. A fall retreat at Camp Hy-Lake served to orient new members into the organization and plan for the coming year's activities. In the spring, a retreat held at Montgomery Bell State Park tied together the year's endeavors. An annual project for the group is participation in the Homecoming parade. The float for this year was themed "Go with the Change." A display was presented at the annual Club Night to introduce freshmen and new students to the MTSU Church of Christ Group.

Activities which represent Christian fellowship and spiritual growth—the purposes of the organization—are displayed at the annual Club Night.

NEWMAN CLUB

The Newman Club serves as the vital link between the Catholic student and his church. The members enjoy many activities together. Each Wednesday night Father Rudisill conducts mass at the Catholic Student Center, which was dedicated in the spring. Communion Sunday is held the third Sunday of each month and is followed by a breakfast. At the Regional Newman Congress held in Franklin, Tennessee, representatives swapped ideas with other Tennessee Catholic students. The theme of the three day convention was "Establishing a Christian Community." The Roman Catholic representatives joined with Canterbury members at Monteagle, Tennessee for a Roman-Anglican Dialogue. The joint conference centered discussions on race, super abundance, and war and peace. The theme was "Christians in Solution."

WESLEY FOUNDATION

Wesley Foundation is the Methodist Student Center, the "Stone House," and is located across from Clement and Gore Hall. The purpose of the Wesley Foundation is to provide the ministry of the Methodist Church to the university community.

"Wesley" has an extensive program on campus. Each Wednesday night at the Wesley house are programs of varied types: speakers, missionaries, drama, and films. On Sunday morning the group meets for coffee and donuts, followed by a Sunday School class. On Thursday morning a short devotional prayer meeting is held.

The group also participates in community services such as Project Headstart and volunteer Sunday School teaching. Two weekend retreats emphasize study and fun in a camp or state park setting.

WESTMINSTER FELLOWSHIP

OFFICERS

Moderator	Elaine Barnhill
Vice Moderator	Sharon Patton
Secretary-Treasurer	Joyce Martin
House of Representatives	Gerri Pekala
Project Chairmen	John Hart, Anne Adams
Advisor	Mr. Bob LaLance

The Westminster Fellowship is the organization of Presbyterian students which through fellowship and study seeks to strengthen and promote Christian life on campus. The organization, known as the Westminster Fellowship of the Synod of Tennessee, is a body of the Presbyterian Church of the United States. The campus group meets once each week for student planned programs that include films, guest speakers, and panel discussions on religious and social topics.

Among the activities of the year are aid and participation in the Day Care Center at the First Presbyterian Church and clean-up projects at the church. Along with a trip to Urbana, Illinois to an Inter-Varsity Missions Convocation, the members enjoyed two retreats during the spring. Camp John Knox on Watts Bar Lake and Camp NaCome near Centerville, Tennessee provided the settings.

Working in close contact with the Episcopal Church is the Canterbury Association under the direction of Reverend Franklin Ferguson. Each Wednesday night the group meets at the home of Dean and Mrs. Chester Burns for informal discussions about current campus problems. At one meeting slides were shown by Father Ferguson of the National Cathedral in Washington, D. C.

The informal atmosphere provides a free opportunity for members to escape the confusion of campus life. Three representatives journeyed to Montegale to a Roman-Anglican Dialogue at which Canterbury and Roman Catholics were represented. Members who attended were Dennis Lovell, Elizabeth Thaxton, and Marjory Tredinnick.

First Row: Elaine Hinson, Elizabeth Thackston, Secretary: Elaine Ladd, Jeanne Sanders, President: Ginny Ray, Pris Cartwright, Patricia Chamlee, Marale Tredinnick. **Second Row:** William Patrick, Gordon N. Taylor, Rick Warwick, Joe Storey, Rev. Franklin Ferguson, Royal Roseberry, Denis Lovell, Vice-President.

CANTERBURY ASSOCIATION

The Lutheran Student Association attempts to study, discuss, and experience the various interrelationships of life and worship. At the weekly church night meetings speakers on timely topics are heard. The Association sponsored a float in the homecoming parade and a child at the ASB Christmas party. Another project was the giving of dictionaries to the Tennessee Vocational School for Girls.

STUDENT CHRISTIAN UNION

The Student Christian Union is a growing and upward bound organization. It is made up of all denominational church groups who wish to participate. The annual tree-lighting at President Cope's home evidenced the Christmas spirit on the MTSU campus. Most of all, the group endeavors to bring about unity of all church groups with the same beliefs in God.

First Row: Darlene Schwartz, Claudia Copeland. **Second Row:** Mike Domeck, Olivia Powell, Denise Smith, Fradonna Phillips, Richard Thompson. **Third Row:** Mike Putman, Madeline Tilford, President; Patti Moore, Larry Cox, Miss Foq, Sponsor. **Fourth Row:** Steve Simonds, Bob Cooke, Ron Nelson.

TRITON CLUB

The Tritons, although small in number, are skillful aquatic performers and compose the splashiest club on campus. Regular meetings allow time to practice for several public performances to be presented during the year. The highlight of the year is the annual Spring Water Show which is presented in the glare of flashing lights and music. This year the Tritons entered the Synchronized Swim Workshop.

Block and Bridle Club Sponsors Little International

The judging block of the cattleman and the tanned bridle of the horseman are the symbols of one of MTSU's most active clubs. The Block and Bridle Club, which was organized in 1959, has as its primary purpose promoting animal husbandry in the area served by Middle Tennessee State University. The MTSU chapter is now a member of the National Block and Bridle Club. Each year the club sponsors an FFA Opportunity Day and judges teams for the Southern Region Livestock and Dairy Conferences. The one accomplishment highlighting the seven-year existence of the club is the organizing of the Intercollegiate Cattle Judging Conference of which six colleges are now members. A Block and Bridle Club Little International is held, consisting of a cattle show by the livestock management class combined with sorority and fraternity activities which include a tug-of-war, a goat-milking contest, a greased-pig chase, and others. Rotating trophies will be awarded the winning groups. Throughout the year, several guest speakers, films, and other such activities are provided to stimulate interest in agriculture.

VETERANS CLUB

One of the most active clubs on campus since 1947, the Veterans Club is still upholding its original purposes to serve the University and to be of benefit to its members. The club engages in a wide range of activities. In 1954, the club staged its first talent show which subsequently evolved into an annual affair. In 1962, the beauty contest was added to the show, and each year a Miss Veterans Club is selected. Sandra Bozeman was this year's winner with Mary Blevins and Carol Jane Parker as the runners up. Brenda North was chosen as the most talented in the contest. Once a month the club has a program for one of the wards at the V.A. Hospital. In the fall, the Vets had a float in the Homecoming Parade and sponsored a child for the A.S.B. Christmas Party. The spring brought the beard-growing contest and an entry in Biology Club Stunt Night.

The objectives of the MTSU Guild Student Group of the American Guild of Organists are to advance the cause of worthy church music and to provide members with opportunities for meeting for the discussion of professional topics. Members endeavor to use their talents in various ways to enrich the life of the university. For the past twenty years the group has furnished music during the Christmas season in the campus cafeterias. This year for the first time members provided music in all three university dining halls.

BUCHANAN PLAYERS

"You were the best one!"

The Buchanan Players perform with the finesse of a professional company with both outstanding acting and technical prowess to make our University Theatre one of the finest in the South. The Players are truly the life-blood of the University Theatre.

All productions are run entirely by the Players. Early in the year, a combined effort from the Theatre and Music departments resulted in the superb presentation of "My Fair Lady." Leads were played by Mel Black, Patricia Prah, and Larry Barker. The next production was the suspense melodrama "Angel Street." Leads were casted to Carolou Durham, Randy Dickinson, Michael Stewart, Andrea Lindsey, and Sharlena Phillips.

A new project held in March was a workshop theatre which consisted of three student directed plays: "Not Enough Rope" directed by Sylvia McKnight, "The American Dream" directed by Dianne Drye, and "Act Without Words" directed by John Gilpin.

The members also sponsored a child at the ASB Christmas party.

CIRCLE K

The MTSU chapter of the Circle K Club International was established in 1954. The international group has a membership of over 14 thousand members. The primary function of the club is to perform services to the campus and to the community.

This year the MTSU Circle K hosted the Kentucky and Tennessee clubs at the annual district convention held in Nashville. Also two delegates attended the International Convention in Ottawa, Canada.

As the number one service club on campus, the members are kept busy with varied functions. The chapter holds campus tours for freshmen, bonfires for promoting school spirit, and participates in both Biology Club Stunt Night, and the College Bowl. This year's services included the annual Christmas party for underprivileged children and a picnic in the spring for orphans. Circle K is also co-sponsor of the Miss Midlander Contest.

Membership is limited and directed toward young men who have proven ability on campus and a sincere interest in a functioning service organization.

Circle K Sweetheart, Martha Sue Plunk, graces the stage in the Miss Midlander Contest.

A moment of anticipation—will she be among the ten finalists?

YOUNG DEMOCRATS

The Young Democrats learn their politics in a collegiate atmosphere and will undoubtedly be intelligent assets to their community and to the Democratic Party following their college life. From appearances by several important political figures, members gain a better understanding of current problems and possible solutions in our government. The members busy themselves with local precinct work during elections. With an election year coming up, this organization will be in full swing both on local and national levels.

YOUNG REPUBLICANS

The Young Republicans Club is a very active and high-spirited group of young men and women who are interested in better government. The members worked hard in the fall of 1966 to help elect Howard Baker as the first Republican Senator from Tennessee in several decades. But they did not stop there. They remained active and continued their work by participating in "Choice '68," an independently sponsored poll to determine the possible Presidential contenders for 1968.

The Club meets every two weeks to discuss current problems in government, new trends in political circles, and new ways to combat the evils of bad government. A wide spectrum of political opinion is offered in its membership, from conservative to liberal, with the correct Grand Old Party blending.

Tradition and innovations have marked this year for the German Club. Lectures by faculty members from many connected departments broaden the club members' ideas about Germany and the German language. Traditional Advent wreaths, homemade Christmas cookies, and parties highlighted the fall semester. The students presented a Christmas program for the December Dames Club meeting. A highly successful 1967 College-Bowl team battled it out again in 1968. The German Club Singers competed in the Tau Omicron All-Sing.

DIE DEUTSCHEN KAMERADEN

Approximately thirty Spanish enthusiasts visited Roses' Cantina for a sample Spanish meal as an El Circulo Hispano activity. Other activities included a competitive float in the Homecoming parade, entrance in the Tau Omicron All-Sing, and a Christmas party for the members. The purpose of the club is to promote a deeper understanding of the Spanish language and people. This goal is achieved through regularly scheduled meetings, filmstrips, guest speakers, and planned activities.

HOME ECONOMICS

After forty-five years of existence on the MTSU campus, the Home Economics chapter is still attracting future homemakers and teachers by the scores. The chapter is constitutionally organized for home economics majors and minors and is affiliated with both the Tennessee and the American Home Economics Association. The chapter theme for 1967-68 is "Home Economics—Opportunity Unlimited . . ." Following this theme some of the monthly programs included, "... As a Wife" and "... in Fashions." A Coke Party began the year and introduced freshmen and transfer students to the activities of the organization. Throughout the year, banquets, workshops, candy sales and visits to local businesses and manufacturers met the interests of all the members. The annual Career Day is designed to associate prospective high school students with the MTSU campus and the Home Economics program. The Betty Lamp is the symbol of all home economics chapters in the United States. This lamp is called the "lamp of joy, knowledge, fellowship, cooperation, service, and achievement."

INDUSTRIAL ARTS CLUB

The Industrial Arts Club provides its members with social contacts and informative programs to benefit them in their individual professions. The organization strives to stimulate interest and advancement in the members' chosen fields. Its curriculum consists of service and money-raising projects, making it an active club. Each year a float is entered in the homecoming parade; several field trips, a banquet, and a spring picnic are among the activities.

The members of the Industrial Arts Club are well prepared to enter the field of their profession following graduation.

LA SOCIETE FRANCAISE

La Societe Francaise was established in 1963. Its primary purpose is to acquaint its members with the true French mode of life. Membership is open to all those interested in the study of French culture. Each year the club sponsors an excellent foreign film series and participates in the Socratic's College Bowl, Stunt Night, and Club Night. A Christmas party and a spring banquet are also held for the members.

INTERNATIONAL CLUB

In today's world of strife and hatred, there exists a tremendous need for the promotion of understanding and friendship between the people of different countries. This is the goal of the International Club. This unique organization is made up of both foreign students and interested American students. The club assists the foreign students in adapting to American mores and traditions by promoting occasions for socialization and discussions of problems.

The projects for this include a float in the homecoming parade, sponsoring an orphan around Christmas, an International Annual Dinner, and an International Salad Night. An orientation program in the form of a tea was held early in the year for the foreign students and faculty members. Approximately 300 guests attended. A series of open forums on Religions of the World conducted by representatives of the club was also a project of the members.

ORCHESIS

The Orchesis, which was created in the spring of 1965, may be better known to many students as the Modern Dance Club. Always in leotard, the members meet each Wednesday night for practice . . . precision . . . perfection. The group sponsors the Modern Dance Workshop and participates in the "World of Dance" each fall. They also participate in a swimming show each spring. Several fund raising projects are held each semester to maintain the activities of the organization.

SPELUNKERS

The Spelunkers, or cavemen, have created one of the most unusual and challenging clubs on campus. The purpose of the Spelunkers is to promote caving conservation and safety and to preserve caves so that future Spelunkers might enjoy similar experiences. This is achieved through the direct experiences of caving. The Spelunkers are a working part of the Civil Defense Rescue Squad. Training courses in rescue and safety are held for the members preparation. Practice cave rescues imitate an emergency situation.

SNEA

The Student National Educational Association is the basic unit of professional organization for college or university students preparing to teach. This organization is affiliated with the Tennessee Education Association and the National Education Association, and receives the regular professional literature from each. The Student NEA has as its principle purpose that of stimulating interest in professional education organizations and in the profession of teaching.

The Student NEA meets monthly to participate in a variety of programs. The year always begins with a get-

acquainted picnic. Other features this year included programs on the Peace Corps, retarded children, student teaching, and films, such as "And Gladly Teach." Other events include the annual State Student NEA Convention, hosted this year by George Peabody College, and a convention held in Memphis on Teacher Education and School Integration.

It is anticipated that this near-simulation of actual professional conditions will provide better informed teachers for schools across the nation.

RODEO CLUB

The Rodeo Club which was organized in 1963 has as its main purpose to promote intercollegiate rodeo and interest in horses. Each year the club sponsors and produces a college rodeo on our campus. For the past two years the members have competed as a team in a matched rodeo against Tennessee Tech. The club was active this past spring in starting the Mid-South Intercollegiate Rodeo Association. This association promotes rodeo as an intercollegiate sport and coordinates all rodeo clubs in the state. While the main interest of the club members is rodeo, many do not compete in rodeo, but are interested in good horsemanship and in good sportsmanship. Thurman Mullins, MTSU sophomore from Murfreesboro, represented the MTSU Rodeo Club in competition at the International Rodeo Association's World Championship Rodeo held in Detroit, Michigan in November. Activities of the year included a hayride and wiener roast for the members. This is the third year that the club will sponsor a campus and also a matched rodeo. Our MTSU chapter is influential in helping other schools in this area to start rodeo clubs on their campuses.

The Pre-Law Club has as its main function providing pre-law students important contacts with practicing attorneys and other individuals possessing the law degree. These contacts assist the students in choosing a field of concentration if they should decide to enter law as a profession. The organization has also stimulated interest in the state and federal government by presenting such speakers as Dr. Fleming, renowned author. The Pre-Law Society is very proud of its former members for many are now studying at top law schools throughout the nation or are engaged in practicing law.

The Socratic's purpose is to promote the academic life of the University in an intellectual atmosphere. The organization sponsors several debates and forums on topics of local and national importance each year. One of the highlighting programs was concerning Capital Punishment. State Representative Pat Lynch and Representative Charles Galbreath debated the issue. The Socratic's are responsible for the College Bowl which is held in the University Center. The two moderators are Allen Stuht and Paul Monaco. An improved lighting system similar to that of the General Electric College Bowl has been added. Plans for an OVC Inter-College Bowl came later in the spring.

TAU SIGMA

The Student Sociological Society, Tau Sigma, was founded February 22, 1967 and can already boast being the largest organization on campus with an active membership of 125. The purpose of Tau Sigma is to further interest in the behavioral sciences and to bring together students with common interests. Tau Sigma had many interesting programs and speakers for their meetings this year. Among those were Charles Stoner from the Metropolitan Police Department of Nashville who spoke on juvenile delinquency and Mrs. Delphia McKnight who spoke on internships in the Juvenile Probation Program. Other activities included a pizza party at Christmas and entering a car in the homecoming parade.

T CLUB

Since 1947, the recipients of the Middle Tennessee State University "T," the only athletic letter permitted to be worn on the campus, have banded together to form the T Club. The club seeks to take part in campus affairs and bring about better relations between the student body and the athletes. Another prime interest of the T Club is to promote a close association among the athletes themselves. The T Club works at the high school basketball tournaments held at MTSU in order to raise money, which is used to make improvements in the athletic dormitory and to finance the annual T Club picnic. This year the club also sold buttons at football games to boost the Raider spirit and sponsored a child at the ASB Christmas party.

BIOLOGY CLUB

Being one of the first organizations to appear on campus, the Biology Club continues to offer activity to anyone who possesses an interest in the biological sciences, whether he is a biology major or not. In stimulating interest for such, the club offers films, guest speakers, field trips, and other activities.

Traditionally the Biology Club sponsors the popular Stunt Night during the spring semester. Each year the campus organizations are invited to present an original skit before a student audience. Other annual events include a float in the homecoming parade, a Christmas party, and a spring picnic. This year the members aided in mapping the plant life on campus to give botany students a reference for locating and observing specimens.

Each year the club contributes a substantial amount of money to the George Davis Loan Fund which is available to biology majors in need of financial aid.

HEALTH, PHYSICAL EDUCATION, AND RECREATION CLUB

The Health, Physical Education, and Recreation Club has as its primary goal to stimulate interest in the profession of physical education. The club meets on the first and third Thursday of each month, the first Thursday being a morning meeting and the third Thursday being a night meeting. MTSU was represented at the annual HPER State Convention in Chattanooga and the Southern District Convention in New Orleans. The members have proposed a carnival or a carnicus for all students as well as a play day with other OVC schools consisting of individual and team games. The organization also entered a car in the Homecoming Parade and sponsored a child at the ASB Christmas party.

WOMEN'S ATHLETIC ASSOCIATION

The Women's Athletic Association serves as a valuable athletic activities promoter for women students at MTSU. Each year a fifty dollar scholarship is given to a senior woman of the club for her further education at the University. A volleyball team represented the organization in the Ohio Valley Conference Invitational Tournament. Much time has been spent in re-writing the constitution of the club in order to change the name to Women's Recreational Association. Members actively participate in the intramural program which this organization had such an influential part in originating.

TRACK AND SABRE CLUB

The Track and Sabre Club is a social-military organization open to all ROTC cadets. The purpose of the club is to provide its members with comradeship, promote the activities of the university and its students, and promote the ROTC among students, faculty, and the local populace of Murfreesboro. The Track and Sabre Club sponsors many events among which are the annual Halloween Dance, the Military Ball, and the spring picnic.

Seated: Richard Arnold, Vice-President; Joette Karty, Treasurer; Glenda Karty, President; Dr. Jesse Raine, Advisor. **Standing:** Dana Lowe, Ronald Karty, Mark Hazle, Gary Calvert.

Fall, 1967, marked the incorporation of the Blue Raider Sports Car Club. Membership is now open to persons outside of the MTSU student body. Only MTSU students can hold office or have voting rights. This year the club held five competitive rallies, averaging 100 miles and seven autocrosses. A car was entered in the Homecoming Parade. At the monthly meetings a typical program might consist of a film or an event among the members such as a scavenger hunt rally. The second annual Raider Ramble, a 250 mile competitive race over the Middle Tennessee area, was held in December.

ROADSTERS RALLY IN RAIDER RAMBLE

CIRUNA

Although the Council for International Relations and United Nations Affairs is a small organization, it has been active on the MTSU campus during its four-year history. Having recently changed its name from the Collegiate Council for the United Nations, its scope of interest has increased to international relations. This year the organization served as host to the first annual High School Model United Nations for Middle Tennessee. Some members of the group attended the Model United Nations General Assembly at St. Louis during March and April.

NATIONAL COLLEGIATE ASSOCIATION OF SECRETARIES

The National Collegiate Association of Secretaries in its first year at MTSU has made many accomplishments toward a prosperous future. The purpose of the organization is to encourage an exchange of ideas and experiences among students planning secretarial careers. To be eligible for membership in this national organization one must be enrolled in a curriculum designed for a secretarial career or a teaching career in the secretarial field. A 2.0 grade point average is also required for membership. Mrs. Francis

B. Jakes, Division President of the National Secretarial Association, was an important guest speaker at an early meeting. The members chose to sponsor a child from the Good Shepherd's Home at the ASB Christmas party. Probably the highlighting event of the year was the National Collegiate Association of Secretaries Convention which was held in Dallas, Texas, this year. The MTSU chapter was represented at this annual convention.

DEBATE SQUAD

Fred McLean, Lee Greer.

Emily Amonette, Sonny Willis.

The MTSU Debate Squad, under the direction of David Walker, has posted a full and winning season for the 1967-68 school year. Each year the squad hosts two tournaments, the MTSU Earlybird, which was won by Emory University, and the MTSU Junior Tournament for inexperienced debaters. The Squad attended tournaments at Auburn University, Emory University, Samford University, Tulane, Harvard National Invitational Tournament, Pi Kappa Delta Regional, and the Tennessee State Tournament at David Lipscomb. Among the honors received were David Rives, best affirmative debater at Western Kentucky; Lee Greer, first place impromptu speaker at Samford University; Fred McLean and Lee Greer, third place team at Carson-Newman and Agnes Scott. In the State Tournament Katie Petty and Gail Colebrook placed second in women's debate; Lee Greer was second in men's extemporaneous; Janet Brown placed first in women's extemporaneous; and Lana Alexander was third in women's after-dinner speaking.

MENC

Membership in Music Educators National Conference is open to all who have interest in music education and its purpose. The organization allows its members to voice their opinions on today's crucial problems in music education and to participate in discussions with other music educators. The goal of MENC is to give the student a better concept of general music education and its relationship with other aesthetic fields.

One of the newer organizations on campus, the Math Club limits its membership to math majors. On alternating Thursday meeting dates, the programs consist of speakers from industrial and scholastic mathematical circles and discussion-problem sessions conducted by the students. The members aided in the Computer Center Seminar held on this campus. Several Tennessee and Georgia colleges and universities attended. The organization was also represented in the College Bowl.

GOVERNOR

The Tennessee State Board of Education has contributed greatly to the expansion of Middle Tennessee State University. The increase of student population throughout the state is only one of the Board's many concerns. Two of the members are alumni of Middle Tennessee, Hon. J. Howard Warf, Commissioner, and Mr. Edward Jennings. With the aid of the Board, Governor Ellington is now carrying out a stronger education program for the schools of Tennessee. The students of Middle Tennessee State are very grateful to Governor Ellington and the State Board for their support.

DR. QUINCY C. DE, PRESIDENT
Middle Tennessee State University

PRESIDENT COPE: A Man And His Office

The job of chief administrator of a growing university is not an enviable one, but the execution of this job by President Quill E. Cope is not only enviable but also admirable. Having stood at Middle Tennessee's helm for a decade, he has guided MTSU's ship of state to greater heights than ever. Making decisions ranging from the placement of campus sidewalks to the arrangement of a seven-story women's living complex has made President Cope an integral part of the University.

Campus decisions are only a part of the multitudinous position held by President Cope. He also acts as campus ambassador at all times, representing the university through himself. All of the work-a-day tribulations which pass upon Dr. Cope, however, are not enough to block his view of the essence of MTSU—it's student body. No problem is too small for a student to discuss with him, and no decision is so light that he does not ponder before advising or consenting.

Dr. Cope: On the inner circle of all campus affairs, yet standing alone on the pinnacle of his position; guiding light for the bearers of the torch of the future.

SCHOOL OF ARTS AND SCIENCES

The School of Arts and Sciences offers a wide field of vocational opportunities, including careers in Biological Science and Speech and Theatre. The School not only prepares one for a teaching career, but offers basic courses for future study. The School includes the departments of Biology, Chemistry and Physics, History, Languages, Mathematics, Sociology, Political Science, Geography, and Speech and Theatre.

The Science and Mathematics Institute held each summer is under the direction of the School. By taking recipients from the South, this Institute helps in teaching improved methods and techniques of classroom study in science and math.

DR. CLAY TUCKER

SCHOOL OF EDUCATION

Students receive instruction in the art of finger painting.

The principal objective of the School of Education is to prepare teachers to fulfill the responsibilities that are theirs as guides of Tennessee's young citizens.

Included in the school are the departments of Education, Health, Physical Education and Recreation, Home Economics, Arts, and Music. The school also directs the campus school, a laboratory for future teachers.

The library offers the student a place of quiet plus helpful hands in finding materials.

GRADUATE SCHOOL

DR. RALPH E. KIRKMAN
Dean of the Graduate School

The University graduate program is a vital part of Middle Tennessee's curriculum. It provides graduate work in many areas including mathematics, health, physical education and the newly added areas of history and English.

The graduates have been able to become a part of the faculty by assistantship programs at the University. This aids both the student and the faculty members.

The school has grown considerably in the last few years under the able direction of Dr. Ralph Kirkman.

Administrators participate in the Graduation ceremony.

EDITORS NOTE

Surely one mind and one pair of hands could never put together a yearbook. It takes the determination of many people to tackle a pile of empty envelopes, layout sheets, pictures and uncomposed copy and transform them into a bound volume. We on the MIDLANDER Staff have fought deadlines, budgets, and indifference to try and please everybody in our representation of the year 1967-68. You now have the result of our work, and it is for you to decide just how successful we have been.

Any measure of success would have been impossible without the faithful assistance of a hard-working, long-suffering staff and my most sincere thanks go to each of you. To Dr. Homer Pittard, Mr. John Benson, Mr. Joe Smith, Nancy Helberg, and everyone else who aided in the development and production of the '68 MIDLANDER—Thank you!

I hope that in years to come, you will look back through these pages and be proud of the memories which they hold.

the city of MURFREESBORO
congratulates MTSU
for growth and progress

The tearing down of Murfree Hall on MTSU's campus made way for progress in the construction of an office-classroom complex.

ROTC ALUMNI FIND THE

"My advanced ROTC courses at MTSU prepared me to accept the responsibilities of my highly challenging job."—2nd Lt. Bryan T. Lifsey—Vietnam

Lt. Lifsey and Sgt. E-5 Eberhart, commeen trick chief, discuss the correct handling of a message which just came in over the teletype circuit.

"Much of my respect and devotion to the army stems from the excellent training I received from the ROTC Department at MTSU."—Captain Edward G. Alexander—Vietnam

2nd Lt. William H. Sikes—Fort Hood, Texas—"Because of my schooling at MTSU, I was prepared to fulfill my duties as S-1, Adjutant.

ARMY CHALLENGING

"Nowhere else can an individual graduating from college advance in position and opportunity than an individual with a commission in the U. S. Army." 1st Lt. John C. Smith—Okinawa

"We would like to be able to reach high calibre students who might like to get into the advanced ROTC program and an Army career," says Captain Paul S. Hodges. Captain Hodges, MTSU ROTC instructor, asked several of the ROTC Department's most successful recent alumni to tell students at MTSU just how much their ROTC training has meant to them.

2nd Lt. Bryan T. Lifsey ('67) is in the signal corp at Long Binh, Vietnam. Captain Edward G. Alexander ('65) is working with psychological operations, civic action, and civic affairs in Vietnam. 1st Lt. John Furgess, Jr., graduate of 1965, says, "The culmination of all my ROTC training, both classroom and summer camp, is found here in Vietnam. Quite definitely, I feel I benefited greatly from the professional and dedicated ROTC staff at MTSU. The fundamentals of map reading and communications which I received in the Advanced Courses at MTSU continue to help me today to do a better job for the people we support—the 198th Infantry Brigade."

Regardless of what your future plans may be, ROTC training and military experience will help you gain experience and leadership.

1st Lt. John C. Smith receives the Green Tabs of Command from his retiring Battery Commander and the Battery Commander.
